

1884-0002

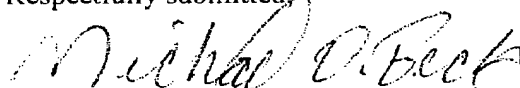

REMARKS

In the Final Office Action, claim 6 was indicated to contain allowable subject matter if rewritten into independent form. With this amendment, Applicants have incorporated the limitations of claim 6 into its parent claim 1. Claim 6 has been cancelled. With this amendment, claim 1 is in condition for allowance, along with its dependent claims 2-5 and 7.

Applicants have also amended independent claim 8 to incorporate the allowable limitations of claim 6, namely the definition of the notch in the perimeter of the flexible sheet. Since this limitation of claim 6 was deemed allowable, claim 8 should now be in condition for allowance, along with its dependent claims 9-11.

Applicants have amended the independent claims to include limitations deemed to be allowable in the Final Action. It is therefore believed that this application, including claims 1-5 and 7-11, is in condition for allowance. Action toward a Notice of Allowance is earnestly solicited. The Examiner is invited to contact the undersigned agent of record if there are minor issues that can be readily addressed by telephone.

Respectfully submitted,
